Bulletin: No. 2015-11

Subject: **Fiscal Year 2015-16 Training Reimbursement**

In January 2013, the Commission on Peace Officer Standards and Training (POST) initiated an 18-month expenditure reduction plan in efforts to mitigate a projected budget deficit at the end of Fiscal Year 2014-15. This plan included reductions to local agency reimbursement and will conclude on June 30, 2015.

In February 2015, as budget challenges continued, the POST Commission voted to approve the indefinite suspension of Backfill Reimbursement for continued cost savings.

Effective July 1, 2015, all training reimbursement requested by reimbursable agencies in the POST program, in accordance with Commission Regulation 1015, will continue with the exception of Backfill. Backfill will remain suspended from July 1, 2015 through June 30, 2016.

Questions regarding the training reimbursement may be directed to Assistant Executive Director Janice Bullard, Standards and Development Division, at (916) 227-2808 or Janice.Bullard@post.ca.gov.
